Reminder: When we sign the rules each year at membership renewal we sign indicating that we understand what they say.

Please go find your copy and read the rules. The gate is being left open and unlocked. Please be sure it is closed and locked

New Gate Keys

All members need to have a new gate key. The old gate lock has been removed. Please be sure that you have a new gate key. Don't drive all the way out to the range and find out you have the wrong key. We don't have a hide a key system.

It has been brought to the boards attention that some members , their guests and family members are not following club rules.

When the range is called "cold" ALL WEAPONS WILL BE PUT IN THE RACK AND UNLOADED. HAND GUNS WILL BE PLACED ON THE RACKS BEHIND THE FIREING LINE. NO EXCEPTIONs

There will be no newsletter for December. Everything that needs to be in the newsletter must be e-mailed to me by the 15th of the month. Please e-mail everything to: BTRPCnewsletter@gmail.com This will give me ample time to get the newsletter to the printer and then returned to me so I can get it put together and get it in the mail. Also, Please forgive me for my tardiness in getting the newsletter out late.

Tim (the newsletter guy)

All of the board members, match directors, range officers and members assisting with formal shoots and work parties ARE volunteers who are donating their time without and reimbursement or payment. Be thankful that they are willing to donate to the club. If you are unhappy with the job that they are doing, instead of complaining about it , man up and take the job on yourself!

One More thing: The most common complaint I hear is that someone was out At the range and shot up the target backer board. "We didn't have anything to shoot at" is what I'm hearing. I would suggest that you bring your own backer board or find someone that volunteer to repair them as necessary. If you are one of the ones blowing large holes in the backers with your shot-guns or other firearms, that you consider replacing the shot up wood before you leave for the sake of your fellow club members. Thank-you Bob Craven Treasurer

POWER TO THE CLASSROOM!!!!

The power to the classroom is done!! A huge thanks to everyone that took part in making it happen. Also a great thanks to the Lincoln County Sherriff's Office Jail Work Crew for all their hard work. Special thanks to the deputies who brought the crew out to the gun range!!!

We are in need of clean fill dirt – if you know of some or have some – please call Bob Craven–541-336-5875.

Just a quick note:

NO ALCOHOL OF ANY KIND IS ALLOWED ON THE RANGE AT ANYTIME. NO EXCEPTIONS!!!!!!!

The Big Timbers Rifle and Pistol Club's primary purpose is to advance the art of firearm marksmanship with emphasis on recreation and education. As members , we oppose any legislation designed to deny individuals of good repute the ownership and use of firearms as outlined by the 2nd Amendment of the U.S. Constitution.

Range reminders and news.
