

October 2013 Newsletter

“If someone has a gun and is trying to kill you, it would be reasonable to shoot back with your own gun.” - Dalai Lama XIV

!!! The newsletter will no longer be individually e-mailed to you. It will be posted on the website after the monthly club meeting!!! Printed newsletters will continue to be mailed for the time being.

Check the website for schedule changes and added events.

Reminder NEW RANGE HOURS - 9:00 to 8:00 p.m.

There is only one thing going on at the range this month, except the Work Party, and that is:

!!!Range Closed – October 15th 4:00 – 8:00 pm Private Shoot (contact Mike Carey or John Way), so I'm going to save some paper and ink and not publish a calendar this month.

For those of you beginning your deer and elk hunting this month – Good Luck and remember:

“In still hunting, swear yourself black in the face never to shoot at a dim, moving object in the woods for a deer. In these days there are quite as many hunters as deer in the woods; and it is a heavy, wearisome job to pack a dead or wounded man ten or twelve miles out to a clearing, let alone that it spoils all the pleasure of the hunt, and is apt to raise hard feelings amongst its relations.”

- George Sears (Nessmuk), Woodcraft and Camping, 1884

WORK PARTY – A work party is scheduled for **Saturday, October 5th**. We will be cutting trees and clearing brush on the west side of the rifle range below the 500 yard target. Brush clearing tools will be needed, weed eaters' and chainsaws, etc. Also we will need a couple of people on the archery range to help Dave Krider clear brush.

DON'T FORGET - Monthly BTRPC Membership meeting the 3rd Monday of each month at 7:00-8:00 pm at the Timbers in Toledo, 21 October this month. Your input helps make the club better.

PISTOL RANGE – We are still working on the pistol range. Next phase will be graveling the parking lot and building the shooting houses, but first we have to get a couple of things straightened out on the Pittman-Roberts Grant with ODFW and USFWS. We thought we would be done by late August but it now looks like October/November, the rain isn't helping. Please, be patient – *“good things come to those that wait”*.

- If you have a bow you no longer want please contact Dave Krider or Mike Carey. We are looking for unwanted bows that are usable to be donated to Youth archery programs.

LOOKING FOR PROGRAM DIRECTORS - If you are interested in starting, sponsoring or working on a shooting program contact me, Mike Carey (541) 563-2102.

!!! Concealed Carry Class Schedule – Dusty Baker's classes are cancelled until further notice. He is leaving the area for an undetermined length of time so he will no longer be offering CHL classes as scheduled. I (Mike Carey) will take over the CHL classes and publish a schedule as soon as I get myself and a schedule organized.
