December 2013 Newsletter

“As for gun control advocates, I have no hope whatever that any facts will make the slightest dent in their thinking - or lack of thinking”. – Thomas Sowell, American economist, social theorist, political philosopher, author.

!!! The newsletter will no longer be individually e-mailed to you. It will be posted on the website after the monthly club meeting!!! Printed newsletters will continue to be mailed.

Check the website for schedule changes and added events.

Reminder NEW RANGE HOURS - 9:00 to 8:00 p.m.

The Turkey Shoot was a success with 27 shooters participating and everybody went home with a bird or pig...some with more than one. I surprised myself and hit with my Great Grandfather's 114 year old Model 94 Winchester...on the third round but I wasn't counting.

A ***Big Thanks!*** to Alan Brown – Les Schwab Tire in Newport for donating the turkeys and hams and to Steve Card – Newport News Times for keeping track of the money, registration *and getting the shooters to the line...which is kinda' like herding cats.*

Everybody had a good time, hope to see more folks next year.

And while we're thanking people how about an ***Appreciative THANKS*** to Wes Bullock at Wesley's Trading Post for donating 400 rounds of .22 LR to the Eddyville Marksmanship program. I now have right around 2000 rds. Sitting in my safe, but I've got to check with Bill Henderson, the Program Boss, on what our total is.

SILLOUETTE SHOOT – December 21st, registration at 9:00 am. Contact John Way for details.

WORK PARTY – Saturday December 7th 9:00 a.m. – General range clean-up and we need to move some logs off the range and over to the Archery range.

DON'T FORGET - Monthly BTRPC Membership meeting the 3rd Monday of each month at 7:00-8:00 pm at the Timbers in Toledo. **16 December** this month. Your input helps make the club better.

PISTOL RANGE - Due to the rain in September making the ground soft and because we did not get the fill dirt tightly damped down, the support poles for the backing wall have been pressured backwards. We will be fixing the problem when it dries out and continue on with building the range. Next step – *Gravel*, we're amending the Pittman-Roberts Grant (UFWS federal money) and re-submitting it to help with the graveling the parking lot.

!!! Concealed Carry Class Schedule – Dusty Baker's classes are cancelled. He has left the area. I am offering the class by request and am taking no more than three people at a time and conducting the class in one day. Mike Carey 541-563-2102, mrjd@peak.org
