A sincere **THANK YOU** from Big Timber Rifle and Pistol Club to **Lieder Construction** for donating five memberships to the club to be used for new and deserving members. Any member who would like to recommend a deserving individual can contact a board member.

Jim Shaw and John Way are working a getting new BTRPC signs up on HWY 229 and at the range entrance off of Wade Road. Maybe in the next couple of weeks. ***The BTRPC Ram will stay where it is.***

WORK PARTY – Saturday January 4th 9:00 a.m. – General range clean-up, rubbish burn and we need to move some logs off the range and over to the Archery range.

DON'T FORGET - Monthly BTRPC Membership meeting the 3rd Monday of each month at 7:00-8:00 pm at the Timbers in Toledo. **January 20th** this month. Your input helps make the club better.

PISTOL RANGE - Due to the rain in September making the ground soft and because we did not get the fill dirt tightly damped down, the support poles for the backing wall have been pressured backwards. We will be fixing the problem when it dries out and continue on with building the range. Next step – *Gravel*, we're amending the Pittman-Roberts Grant (UFWS federal money) and re-submitting it to help with the graveling the parking lot.

Concealed Carry Class Schedule – Dusty Baker's classes are cancelled. He has left the area. I am offering the class by request and am taking no more than four people at a time and conducting the class in one day. Mike Carey 541-563-2102, mrjd@peak.org
