February Centerfire Match Report -

Today the third Saturday of the month we held the regular "Silhouette" match and a good time was had by everyone. The weather at best was "Blustery" and as I reminisce about past February events it was similar to several I remember in the late 80's that the wind made it impossible to keep the targets up, it was a lovely day at the range.

We had 12 guns shoot today and a very good turnout of Shooter's. Everyone had fun in the challenging conditions. The rifles that shot today were a couple of 1903 Springfields, several FN FAL's a H&R Handi rifle a Ruger Scout and 3 or 4 AR15's and a couple of scoped hunting rifles.

The weather abused everyone equally today but welcome to today's Silhouette Match and a good time was had by everyone and a big thanks to the 12 shooter's who braved the conditions and tried today!!

The next match will be March 15, 2014 starting at 10:00 am. Come on out and give it a try!!
