June 2014 Newsletter

Here's my credo. There are no good guns, there are no bad guns. A gun in the hands of a bad man is a bad thing. Any gun in the hands of a good man is no threat to anyone, except bad people.

- Charlton Heston (b. 1924)

From Jim Birken, Oregon 4-H Rifle Team Coach, via e-mail - I want to thank you all for the hospitality and assistance to the Oregon 4-H Rifle team in letting us use your silhouette range. It is much appreciated and I will let you know how we do this June in Nebraska. Please pass this thanks along to all of your members who aided us in this quest. Jim

Bacon Shoot - John Way reports the event went well. There were 16 shooters and everybody won something. So I guess you could say, everybody "brought home the bacon", 4 lb. slabs, that's a lot of bacon. Anyway, there were 4 rounds shot with scoped rifles, 12 rounds with iron sights and 7 rounds with handguns. We brought in \$325. Thanks to all that participated.

SUMMERFEST RAFFLE RIFLE is a - RUGER Model 77 in .308 with a 3X10 Burris scope.

PISTOL RANGE – The USFWS rep. is looking at the project this week. The ODFW rep. is working on the ODFW and BTRPC contract and says, "Once she gives the green light we should have the contract completed and be able to move forward. I will give you an update on Friday." That would be Friday, May 23. I'll keep you posted.

DON'T FORGET - Monthly BTRPC Membership meeting the 3rd Monday of each month at 7:00-8:00 pm at the Timbers in Toledo. **16 June** this month. Your input helps make the club better.
