Eddyville Marksmanship Club - The school year is over and another successful shooting season is complete.

A BIG THANK'S to all the business's and individuals who donated .22 ammunition to the smallbore team. Your donations made this year possible.

And of course a BIG THANK'S to Dave Boyce (Shotgun) and Bill Henderson (Smallbore) and their many volunteers. Their tireless efforts continue to make the shotgun and smallbore programs successful and worthwhile for Eddyville youth. The Eddyville Principle and School community praise and support these two programs which says a lot when you consider that constantly guns and gun rights are being assaulted by a very vocal portion of society, but yet at Eddyville, in a school environment, children are being taught to safely handle and shoot guns. They are already planning for next year so if want to help, contribute or donate contact Dave (541-336-2936) or Bill (541-609-1021).

ELECTIONS - There were no elections for the next year because there were no nominations. At the General Membership meeting a motion was made that – because there had been no nominations made and that it appeared there was not going to be any nominations made that the board of current officers remain as it is. The motion was seconded and passed by a unanimous vote by all present. There is one exception - Jimmy Vickers gave up the Secretary position, so we need a secretary. Secretary's are really important, so we need one sooner then later. If you're interested in volunteering for the job contact a board member.

June Military Shoot - I'm told the event went well. Not a large turnout, but a lot of fun. There were some marksmen from the valley who participated, so maybe we've got something started.

BTRPC is in negotiations with Oregon State Police (Newport Division) to allow them to use the range as their training facility, much like our agreement with Lincoln County Sheriff's. Their range use impact will be small, looks like 1-2 days four times a year. The agreement would be good for the Club because it gives us one more agency to add to our grant applications.

SUMMERFEST RAFFLE RIFLE is a – Walt Heller Custom Knife and a RUGER Model 77 in .308 with a 3X10 Burris scope. You can see both at Wesley's Trading Post.
