August 2014 Newsletter

"Arms in the hands of citizens may be used at individual discretion in private self defense." - John Adams

The newsletter is not individually e-mailed to you. It is posted on the website after the monthly club meeting!!! Printed newsletters will continue to be mailed to those that request it.

Please check the website for short notice schedule changes and added events!

RANGE HOURS - 9:00 am to 8:00 pm. Please adhere to the range operation times.

IT'S DUES MONTH – THE GATE KEYS WILL BE CHANGE WILL BE CHANGED THIS MONTH!

SAFETY!!! – BTRPC General Safety Rules #7. All firearms must be unlocked and racked while any person is down range. To clarify – all guns will be unloaded, cleared, unlocked and racked behind the yellow line.

The PISTOL RANGE should be ready to use the 4th of August. Bring your own target backers and benches until we get the shed built. Direction of fire is to the north. **Please make sure your rounds impact the berm!**

With the pistol range open we can and will be having separate events on the same day. Be sure to check which range is open or closed; rifle, pistol or both. (Please be patient with us as we coordinate which ranges will be closed and open. This is new for us and scheduled users and will require a little bit more planning on everyones part. For example check the website for range availability 18 - 22 August. I'll be working with LCSO to be more specific on their range use.)

Please pay attention to the range schedule there are a lot of events resulting in range closures in August.
