## SEPTEMBER 2014 Newsletter

"Beware the man who only has one gun. He probably knows how to use it!" – Clint Smith

Please check the website for short notice schedule changes and added events!

**RANGE HOURS - 9:00 am to 8:00 pm. Please adhere to the range operation times.**

**!!!ATTENTION – Automatic weapon fire is NOT allowed on the range. A request for exception can be made to the BTRPC Board.**

**SAFETY!!! – BTRPC General Safety Rules #7. All firearms must be unlocked and racked while any person is down range. To clarify – all guns will be unloaded, cleared, unlocked and racked behind the yellow line.**

The PISTOL RANGE is open; the shooting house will come along later. Bring your own target stands. **Please make sure your rounds impact the berm!**

**Make your own target stands - <http://firespeedtactical.com/diy-pvc-portable-target-stands/>.** It's easy and you don't have to worry about what's available at the range.

**With the pistol range open we can and will be having separate events on the same day. Be sure to check which range is open or closed; rifle, pistol or both.** Please be patient with us as we coordinate which ranges will be closed and open. This is new for scheduled users and the range manager and will require a little bit more planning on everyone's part.

The Leupold & Stevens Family day at the range August 15th was a success. Everybody had a good time. The family representative and the event organizer both gave BTRPC a Big THANK YOU! for our efforts in making their day a lot of fun. Many thanks to John Way, Wayne Hodges, Dave Krider, Earl Agee, Walt Heller, Jim Shaw for helping to make sure the shooting was safe and everybody got to where they were supposed to be and had a good time when they got there, and to Frank & Peggy Woods for the Porta-Potties and Peggy for staying out at the range and providing a sanitation station.
