October 2014 Newsletter

"If you teach your kids how to shoot, when to shoot, what to shoot, and where to shoot, freedom will easily be maintained." - Erin Canales

There is not much going on at the range over the next few months. We hope to do some more pistol range improvement and get electricity into the rifle range. A lot of folks are headed to the woods to hunt. If you are one of those people, remember –

"In still hunting, swear yourself black in the face never to shoot at a dim moving object in the woods for a deer, unless you have seen it for a deer. In these days there are quite as many hunters as deer in the woods; and it is a heavy, wearisome job to pack a dead or wounded man ten or twelve miles out to a clearing, let alone that it spoils the pleasure of the hunt, and is apt to raise hard feelings among his relatives."

– George "Nessmuk" Washington Sears (December 2, 1821 – May 1, 1890)

Please check the website for short notice schedule changes and added events!

RANGE HOURS - 9:00 am to 8:00 pm. Please adhere to the range operation times.

SAFETY!!! – BTRPC General Safety Rules #7. All firearms must be unlocked and racked while any person is down range. To clarify – all guns will be unloaded, cleared, unlocked and racked behind the yellow line.

The PISTOL RANGE is open. Bring your own target stands. **Please make sure your rounds impact the berm!**

Make your own target stands - <http://firespeedtactical.com/diy-pvc-portable-target-stands/>. It's easy and you don't have to worry about what's available at the range.

With the pistol range open we can and will be having separate events on the same day. Be sure to check which range is open or closed; rifle, pistol or both. Please be patient with us as we coordinate which ranges will be closed and open. This is new for scheduled users and the range manager and will require a little bit more planning on everyone's part.
