## December 2014 Newsletter

*"Recoil is insignificant when there is a tiger on the head of your elephant" - The Maharaja of Cooch Behar*

**With the pistol range open we can and will be having separate events on the same day. Be sure to check which range is open or closed; rifle, pistol or both.**

**RANGE HOURS - 9:00 am to 8:00 pm. Please adhere to the range operation times.**

**SAFETY!!!** – if you have a guest (including family members) with you at the range it is **YOUR RESPONSIBILITY** that they know all the BTRPC range safety rules and procedures. **As a club member, while you are on the range you are a safety officer.** We are getting to many reports of people doing unsafe stuff out there. For example, calling the range “cold” and walking out before all guns are cleared, safe and racked behind the yellow line. Don’t get in a hurry out there. Take a few seconds and think about what you’re doing and do it right.

**Make your own target stands** - <http://firespeedtactical.com/diy-pvc-portable-target-stands/>. It’s easy and you don’t have to worry about what’s available at the range.
