January 2015 Newsletter

"If gun laws in fact worked, the sponsors of this type of legislation should have no difficulty drawing upon long lists of examples of crime rates reduced by such legislation. That they cannot do so after a century and a half of trying -- that they must sweep under the rug the southern attempts at gun control in the 1870-1910 period, the northeastern attempts in the 1920-1939 period, the attempts at both Federal and State levels in 1965-1976 -- establishes the repeated, complete and inevitable failure of gun laws to control serious crime."

- Senator Orrin Hatch

With the pistol range open we can and will be having separate events on the same day. Be sure to check which range is open or closed; rifle, pistol or both.

RANGE HOURS - 9:00 am to 8:00 pm. Please adhere to the range operation times.

SAFETY!!! – if you have a guest (including family members) with you at the range it is **YOUR RESPONSIBILITY** that they know all the BTRPC range safety rules and procedures. **As a club member, while you are on the range you are a safety officer.** We are getting to many reports of people doing unsafe things out there. For example, calling the range “cold” and walking out before all guns are cleared, safe and racked behind the yellow line. Don’t get in a hurry out there. Take a few seconds and think about what you’re doing and do it right!
