"There's no question that weapons in the hands of the public have prevented acts of terror or stopped them."
- Israeli Police Inspector General Shlomo Aharonisky

RANGE HOURS - 9:00 am to 8:00 pm. Please, adhere to the range operation times.

! GOT A COMPLAINT - The Club recently received a complaint from one of our range neighbors that someone was shooting exploding targets at the range, which was scaring their livestock. Although the livestock owner was very nice about it this is something we do not want to have happen. Currently the General Safety Rules do not address exploding targets (Tannerite, etc) however in the interest of being a good neighbor please refrain from using exploding targets on the range. The BTRPC Board will take up the issue at the March board meeting as well as the March General Membership meeting.
