

JULY 2015

www.BTRPC.com

"The Constitution shall never be construed to prevent the people of the United States who are peaceable citizens from keeping their own arms." - Samuel Adams, Massachusetts Ratifying Convention, 1788

EFFECTIVE IMMEDIATELY! – Shotguns are no longer allowed on the pistol range. Point blank shotgun shooting is tearing up the backstop. Also, do not set targets on the railroad ties. They are bullet backstops not target stands.

ELECTION RESULTS: President - John Way, Vice President - Wayne Hodges, Treasurer - Earl Agee, Secretary - Rich Fix, Member at Large - Walt Heller, Range Manager/RSO - Mike Carey

2015-16 DUES - It's time to pay dues. The gate lock will be changed the 1st week of July.

PISTOL RANGE UPDATE - Work on the shooting enclosure will start 26 June.

NOTICE! - STOP! using club furniture for targets and shooting stands. Recently someone used the sitting benches at the pistol range to shoot watermelons off of. That's wrong for two reasons; 1. Currently there is no shotgun shooting, without prior permission, on the pistol range, and 2. The benches are **NOT TARGET STANDS**. So, because some people just don't get it the Board is looking into installing security cameras on the range. In the meantime, if you see anyone using club furniture for targets or target stands get a name, or a vehicle license number (we can get a name) and let a board member know. If you are caught or reported using club furniture for a target or target stand you will be permanently kicked out of club and your dues forfeited to cover damages. If you want to shoot your own food and your own furniture, that's fine just clean up your mess, but quit shooting the clubs furniture and possessions. And while I'm on a roll, the club is not a trash dump. So, how about, whoever dumped the load of broken tiles at the east side of the pistol range parking lot come and pick them up so I don't have to. There's enough work to be done out there without having somebody add to it.

One more time - Make your own target stands - <http://firespeedtactical.com/diy-pvc-portable-target-stands/>. I'll make a pvc stand for you for \$25. Mike Carey, 541-563-2102, mrjd@peak.org, or Logical Response in Waldport sells them, or if you ask I'll bet Wayne Hodges might make a wooden one for you.
