*No country will every conduct a symmetrical warfare campaign on the US homeland. As the Japanese contemplated doing so back in WWII, Admiral Isoroku Yamamoto famously said, "You cannot invade the mainland United States. There would be a rifle behind each blade of grass." What's more, those of us who are competent and responsible gun owners, keep our weapons very clean at all times. **Richard E Davis** – quote from a blog.*

**THE GATE LOCK HAS BEEN CHANGED - REMEMBER TO PAY YOUR DUES.**

**PISTOL RANGE UPDATE** - Just need to get the roof done, hopefully within the next three weeks and then we'll put in the shooting bench, the back bench, build the "no blue sky" safety device, do some painting and we'll be pretty much done.

**Help take care of the range.** On the rifle and pistol range, after you are done shooting **please** recover your targets and target stands. If the target stand is no longer serviceable put the wood and debris on the burn pile or in a trash barrel. On the pistol range after you are done shooting if there is a noticeable impact furrow in the gravel fill it back in. We will re-compact the pistol range this fall after a couple of rains settle the gravel but in the mean time please fill in the furrows.

**MAKE YOUR OWN TARGET STANDS** - <http://firespeedtactical.com/diy-pvc-portable-target-stands/>. I'll make a pvc stand for you for \$25. Mike Carey, 541-563-2102, [mrjd@peak.org](mailto:mrjd@peak.org). Logical Response in Waldport sells them, or if you ask I'll bet Wayne Hodges might make a wooden one for you.
