*"Liberals think that banning guns, or knives, or human driven cars or big soda drinks will make America safe. Well guess what? America wasn't designed to be safe. America, was designed to be free. You can have freedom, without safety, or, you can have safety, without freedom... AND without the safety." ~ Bill Whittle, [It's the Steel](#)*

**SECURITY ISSUE** – Our security patrol has noted on several occasions that the range gate is being left open while people are using the ranges. They have now been instructed by the Board to lock the gate anytime it is found open (other than for posted events and work parties), without notice to those using the ranges.

**PISTOL RANGE UPDATE** – For the most part it is done. We still need to complete the “no blue sky” overhang, the lettering and signs, take some photographs and finish the paperwork. **Again, BTRPC owes most of the progress to Jim Patrick and his guys from Dolphin Construction – Thanks Jim.**

**GRANT UPDATE** – We are a recipient of a National Shooting Sports Foundation grant and will be receiving a set of steel targets and stands valued at \$2,100. For this, we are expected to put on four NSSF Rimfire Challenge shoots next year that are to be advertised and open to the public to participate in. These shoots are excellent opportunities to get new shooters involved in the shooting sports. We have scheduled these to begin in January, running every-other month, on the second Saturday of the month. Dates are January 9th, March 12th, May 14th and July 9th. Help get the word out!

**GRANT PLANNING** – We will focus our efforts during this year’s grant cycle on upgrading our parking, improving drainage and rifle range access points. A separate grant will be submitted for .22 LR ammunition to be used in our youth programs and shoots.

**OREGON POLITICAL TAX CREDIT** – Every Oregon taxpayer has a tax credit available to them on their state taxes for making a donation to a Political Action Committee (PAC). Single taxpayers may receive a credit up to \$50 while married taxpayers may receive a credit up to \$100. This program is unique to Oregon and is an opportunity for you to have a say where the government spends your money. **Donations for 2015 need to be made by December 31<sup>st</sup> to qualify for a 2015 tax credit.** There are many worthy PACs, and one suggestion is the Oregon Firearms Federation PAC (OFF-PAC) which stands as a watchdog for local and state gun rights issues. For more information on the Oregon Political Tax Credit visit: [www.oregontaxcredit.com](http://www.oregontaxcredit.com), and for more information on the Oregon Firearms Federation and OFF-PAC visit: [www.oregonfirearms.org](http://www.oregonfirearms.org).
