- John has still not heard from the N.S.S.F. or Action Targets regarding the steel targets that have been granted to us. The condition of the grant says we are obligated to have four shoots completed by September 2016 for receiving them. The Board will take this issue up with N.S.S.F. when we receive notice of shipment.
- The **SummerFest** raffle gun this year is a Mossberg Patriot .30-06 in a walnut stock with a Colt branded Burris 3x9 scope. It is at Wesley's Trading Post, Newport. Tickets are \$1 each, or 6 for \$5 and they will be limited to about 1100 this year.
- The Eddyville Marksmen have had a good turnout this year and we could use more coaches most weeks. We've had up to 18 kids participating so far this season. One girl shot a 98 at the last shoot!

Setup at 10:00, bring a lunch.

- Our NRA grant has made it through legal and looks like it'll be a go. It's the parking lot money. It'll be a little while yet before we know for sure, but the process should be quicker this year since they started earlier.
- **A BIG THANK YOU** to Ashley Forsythe, Club Member and medical professional who has put together and donated two first aid kits to the club. One is specific to gun shot traumas and the other is for more typical injuries. They are very nice kits and will be stored in the shooting shed to be available at organized events.
- ! **TAKE NOTICE** - As a BTRPC Member you are *responsible* to make sure *all* of the guests you bring to the range follow *all* of the BTRPC range rules. A club member reported that during his last trip to the range he had to deal with another member's guests' not following club safety rules. Apparently, a member brought several guests to sight in some rifles and was unable to control or did not make sure their guests followed range safety rules. Specifically, not racking firearms during cold range times. Currently there is no limit on the number of guests a member may bring (but that may change if there are more reported violations), but it is stressed that regardless of the number of guests you bring you, as the BTRPC sponsor, are responsible for your guests' actions while at the range. If there is an accident or incident involving your guest you, not them, are on the "blame line".
- ! Board of Directors nominations for the 2016-2017 membership year begin next month. Nominations may be made up until the elections at the annual meeting in June.
- The **Bacon Shoot** is Sunday, May 15, 2016. Hopefully we'll have new and bigger steel turkey necks.
- **Work Party April 2.** Range cleanup, trash burn and we're going to clear brush and cut trees and brush for the parking lot project.
