"Due to the rising cost of ammunition, I will no longer be able to provide a warning shot. Thanks for your patience and understanding... These are hard times."

- The first NSSF Rimfire Challenge was 14 May. We had about 15 shooters and everything from Butch's "race gun" to a couple of bolt action rifles. And although it rained and the timers needed adjusting (we finally figured it out) everybody had a good time and shot a lot of .22 ammo and hit a lot of steel targets. Next Challenge is June 11th. Come out and see just how fast *and accurate you are*.
- The Annual Bacon Shoot was May 15th. We had about 20 shooters and everybody got to take some bacon home. The bigger turkey necks on the 100 yard rail were still plenty difficult to hit. It took a good 5 or 6 rounds to complete the open sighted rifle competition.
- The **SummerFest** raffle gun this year is a Mossberg Patriot .30-06 in a walnut stock with a Colt branded Burris 3x9 scope. It is at Wesley's Trading Post, Newport. Tickets are \$1 each, or 6 for \$5 and they will be limited to about 1100 this year.
- * The Eddyville Marksmen last shoot of the year is June 1st. It's a fun shoot. Don't know what Bill has planned but every year the fun shoots get more *interesting*. Coaches make sure you make it out to congratulate the kids for another successful year of shooting. **Thanks to** Lincoln City Sporting Goods, Philomath Gun Shop and Corvallis Guns for donating prizes and their support this year.
- ! **A BTRPC THANKS to Alan Parker** who, last work party brought his track hoe and turned a four day job on the new parking lot into a 4 hour job and then came back the next day and smoothed out the lot and saved the club a lot of money.
- ! **Also a BTRPC THANKS** to all the guys who came out over the past two work parties and worked on the parking lot. You all put in more than your 4 hours and your efforts are appreciated. Hope to have gravel on within the next two weeks.
- *On a side note* - May 6-8 and 20-22 we had two groups of shooters (12-14 people) from OK, OR, WA, CA, ID and AZ attend a **Fighting In and Around Structures** course and a **Combat Rifle Applications** course. All participants let me know how much they appreciated BTRPC letting them use the range and what a great set up we had. I'd like to thank Wayne for helping me out over those six days. Even though Wayne and I didn't fire a round down range I think we both saw a couple of different shooting techniques as well as some good shooting and gun handling skills - 100 meter hits in 1" or less from a ready position and 1.25" carbine magazine re-loads.
- ! **Last Work Party for membership year 2015-16 is 4 June**. If you owe hours come out and get them done.
- There is a banner on the pistol range now thanking Friends of NRA and the NRA Foundation for the grants, and naming the range the Jerry Butler Pistol Range.
- From Jim Birken – "On behalf of the Corvallis Sharpshooters 4-H club I want to thank you for the hospitality and use of your rifle range. Our club members really enjoyed the experience. It is very much appreciated."
- It's June so don't forget the 3rd Sat begins Military Rifle Shoots, for the next three months. Drag out your old Enfield or your shiny black Assault Rifle and come out and do some distance shooting.
- ! Board of Directors elections for the 2016-2017 membership year are this month. Nominations may be made up until the elections at the annual meeting in June. Remember - you must be present to vote.
