

**October 2016**

**[www.btrpc.com](http://www.btrpc.com)**

*“...when one considers that there are more than 750,000 police officers in the United States and that these officers have tens of millions of interactions with citizens each year, it is clear that police shootings are extremely rare events and that few officers--less than one-half of 1 percent each year--ever shoot anyone.”*

— **David Klinger, Into the Kill Zone: A Cop's Eye View of Deadly Force**

**October Work Party is cancelled** – It's deer season opening day and it's going to rain.

**Work Bond:** We are going to get a better handle on the Work Bond this year and make sure everybody gets credit for their hours, and for members who signed up for the work bond and don't work their hours they won't get credit. So...if you take part in any of the following events make sure you get your name on the sign-up sheet (one of the board members will have it) at the event.

- Scheduled Work Parties (1<sup>st</sup> Saturday of the month)
- Turkey Shoot
- Eddyville Marksman Club
- Hunter Sight-In Days
- Bacon Shoot
- Summerfest
- Exception (work coordinated with the board or work during a project).

- The NRA Law Enforcement Instructors Course held Sept. 12-16 went very well. There were 20 participants from 4 states. Both the NRA Instructors and students commented about what a good range we have. Wayne was out there all week and says the training he observed was excellent.

- The final NSSF Rimfire Challenge of the season was held Sept. 10<sup>th</sup>. Next season begins in April and will run thru September, the second Saturday of the month. Butch Massoni has volunteered to help us with target arrays so you can look forward to a “Challenge” and more fun next year.

- The ODFW Hunters Education Field Day held on September 17 had 27 kids this year, 25 were local and 2 were from Eastern Oregon.

- The September Military Rifle Match had 12 competitors. Look for them to start again in June, possibly May of next year.

- Hunter Sight-in Days went well, we had about 70 people altogether. I feel a need though to remind club members and, hopefully prevent hard feelings in the future, that the \$3 per gun fee during hunter sight-in days applies to members as well as non-members. We begin advertising sight-in days at least a month out. It's in the newsletter, on the website, on the club calendar, talked about at the general membership meeting, in the newspaper and on the radio. It should not come as a surprise to members that on that weekend BTRPC charges \$3 a gun. Members have about a year prior to sight-in their guns if they do not want to pay the \$3.

**ANNUAL TURKEY SHOOT - NOV 19. 9:00 am start. Bring a rifle or handgun and win a turkey. The public is welcome.**

**LAST MINUTE PISTOL RANGE CLOSURES** – Look for last minute pistol range closures in the coming weeks as we try to get some maintenance completed on the pistol shed and make progress on the new range before the weather turns bad.

**Reminder** - To continue receiving a paper newsletter please send \$6.00/year (to defray postage costs) to the BTRPC mailing address: BTRPC, C/O Earl Agee, PO Box 80, Lincoln City, OR 97367
