"When I carry a gun, I don't do so because I am looking for a fight, but because I'm looking to be left alone. The gun at my side means that I cannot be forced, only persuaded. I don't carry it because I'm afraid, but because it enables me to be unafraid. It doesn't limit the actions of those who would interact with me through reason, only the actions of those who would do so by force. It removes force from the equation... and that's why carrying a gun is a civilized act." – from "The Gun Is Civilization" - by Maj. L. Caudill USMC (Ret)

SERIOUS RANGE VIOLATION! – I don't believe I'm reporting this, but...it was recently reported to the Club President that someone was seen driving out of the range with a recently shot deer in the back of their truck, which wasn't there when they went into the range. **SHOOTING ANY ANIMAL or BIRD ON THE RANGE IS FORBIDDEN!**

NOTICE! - BTRPC will use whatever resources, Law Enforcement and Civil, required to see that anyone caught shooting an animal or bird on any BTRPC property is prosecuted to the fullest extent of the law, criminal and civil. The civil part means BTRPC will sue the violator to the maximum extent possible.

ANNUAL TURKEY SHOOT – This year's event had a great turn out with 40 shooters participating, which brought in \$565. **A BIG BTRPC THANKS TO** Alan Brown – Les Schwab Tire Center, Newport, who donated the turkeys and hams again this year.

DECEMBER WORK PARTY – 3 Dec. General range clean-up.

START the YEAR with a BANG Shoot is **January 1st 9:00 am**. We have procured a lot of pressurized fire extinguishers that need to be "de-pressurized". Come out and help. A pressurized metal bottle hit with a penetrating, high velocity projectile can be quite a sight to see. And what better way to work off that sour stomach and pounding head from New Year's Eve than a good dose of recoil and muzzle blast☺

EDDYVILLE SCHOOL is going to a 4-day per week schedule, *how come nobody thought of that when I was going to school*, so...the 2017 Marksmanship Club program is looking doubtful, at least as it used to be. BTRPC (Bill Henderson) and the school are discussing options, more to follow.

The N.S.S.F RIMFIRE CHALLENGE was a great success this year, so we're going to start it back up in January instead of waiting until April. Put it on your calendar, it'll be in the newsletter and on the website for the 2nd Saturday of each month starting in January.

LAST MINUTE PISTOL RANGE CLOSURES – Look for last minute pistol range closures in the coming weeks as we try to get some maintenance completed on the pistol shed and make progress on the new range in between the weather.

Reminder - To continue receiving a paper newsletter please send \$6.00/year (to defray postage costs) to the BTRPC mailing address: BTRPC, C/O Earl Agee, PO Box 80, Lincoln City, OR 97367
