**START the YEAR with a BANG Shoot** - I don't get to a lot of shoots but I made it a point to make it to this one and I had a "blast". Yes, it was chilly and a little damp but the range has got a stove and a roof so no complaints. And not only did I not have to bring target stands but the targets were provided – pressurized fire extinguishers (a poor mans "reactive target"). You don't have to worry about knowing when you hit one because they dance three feet in the air blowing out pressurized white powder. Go to the [btrpc.com](http://btrpc.com) website for a video. We started out with "call your shot" but when the remaining few were at 500 yards we went to "free for all". There were a couple left when we finished the day but everybody hit at least one and it made putting up with the chill well worth it. We'll do it again next year.

**EDDYVILLE MARKSMANSHIP PROGRAM** - 12 kids are signed up. Bill is working out the details but what we do know so far is that the shoots will be held on Fridays and participants will be responsible for their own transportation. If you're a volunteer Bill will be calling you .

**The N.S.S.F RIMFIRE CHALLENGE** – January kicked off the Rimfire Challenge. 18 Shooters showed up and shot a lot of .22 and yes it was cold but it is Oregon and it is winter and that is why we shot on the rifle range because it has a stove. So anticipating the weather we'll shoot on the Rifle range in February.

**OHA/BTRPC 5 STAND SHOOT** – upcoming dates April 22 and July 22.

**CLUB BUSINESS**

- It was decided at the January General Membership meeting that the standard range rental fee for events will be \$150 a day.

- Sam Duvall, Lincoln County FNRA Chair, who represents BTRPC's NRA Grant interests at the regional NRA meeting in Bend, requested \$240 to help with half of his travel expenses, Albany Rifle and Pistol Club is expected to pick up the other half. The request passed unanimously at the January General Membership meeting.

**LAST MINUTE PISTOL RANGE CLOSURES** – Look for last minute pistol range closures in the coming weeks as we try to get some maintenance completed on the pistol shed and make progress on the new range in between the weather.
