*"The only rational patriotism is loyalty to the nation all the time,
and loyalty to the government when it deserves it." - Mark Twain*

MEMBERSHIP DUES REMINDER - The 2017-18 membership year begins in June.

ELECTIONS will be held at the June meeting. You must attend and be a member in good standing to be eligible for office and to vote.

WORK PARTY - June 3 is the last work party for the 2016-17 membership year. Unfortunately some people who committed to the work bond last year (and in years past), have failed to meet that commitment and it's looking like this year is no exception. The club is losing money and/or labor. So in order to recover the monetary loss and to hopefully re-establish commitment to the work bond, **effective now** - If you do not have your 4 hours completed for the membership year you have committed to you will be assessed the \$40 difference in your next years membership dues. The majority of the work on range improvements and its maintenance is through volunteers and the work bond. The work bond is a commitment made by individual members as part of their **annual dues** to work for four hours, within the current membership year, on the range whether it be general maintenance, a range improvement project or a club event. Show up, meet the commitment, its not that much (it doesn't have to done at one time, spread it out if you need to) but it sure gives a break to the folks that are always out there.

RANGE SAFETY ORIENTATION - Beginning with the 2017-18 dues year a Range Safety Orientation will be required of all members in order to get your key. Contact John Way for dates/times.

Eddyville Marksmanship rimfire and shotgun programs have concluded for this school year. We still are not sure about next year but think there will be some involvement with 4-H Programs.

This years **SUMMERFEST RAFFLE** gun is going to be a Mossberg Patriot in .308 with a 3x9 scope. If you haven't seen one, these are good looking rifles and by all reviews and folks I've talked to they shoot really well.

LAST MINUTE PISTOL RANGE CLOSURES – As it dries up look for last minute pistol range closures as we try to start work on the new range.
