

BIG TIMBER

RIFLE AND PISTOL CLUB

AUGUST 2017

www.btrpc.com

“People often ask me how I feel about my invention being used to kill people every day and the AK being a common weapon of ethnic conflicts. I want to make it clear that I created my assault rifle to protect my country. You can blame politicians for its spreading out of control on a global scale.” - Mikhail Kalashnikov

MEMBERSHIP DUES REMINDER – The 2017-18 membership year began in June and the gate lock has been changed.

ELECTIONS were held at the June General Membership meeting. The results are that all the current board members were re-elected.

WORK BOND – The work bond is a commitment made by individual members as part of their annual dues to work for 4 hours within the current membership year. Work can be in the form of general maintenance, work parties, range improvement project, or supporting a club event. This club and the range relies on the efforts of volunteers to keep membership dues low. Some people who committed to the work bond have failed to meet this commitment, which slows our growth and improvement projects. Remember, the 4 hours do not need to be done all at one time, you can spread it out over multiple events if you wish. In order to recover the monetary loss and hopefully re-establish motivation for the work bond, **EFFECTIVE NOW**, if you did not complete your commitment of 4 hours for the membership year, you will be billed the \$40 difference.

AUGUST 5th WORK PARTY CANCELLED – We are hosting OHA family day. Come join us or enjoy your Saturday off!

RANGE SAFETY ORIENTATION – Beginning with the 2017-18 dues year a Range Safety Orientation will be required of all members in order to get your key. It is a simple orientation and won't take much of time. We can do it at the

shop and you can pick up the key immediately; or you can contact John Way for more information.

The **EDDYVILLE MARKSMANSHIP** program is being coordinated by Bill Henderson. Bill reports that progress is being made and there is a good chance there will be a program this coming year.

The **SUMMERFEST RAFFLE** gun is a Mossberg Patriot in .308 with a 3x9 scope. If you haven't seen one, these are good looking rifles and by all reviews and folks I've talked to they shoot really well. Check it out at Wesley's Trading Post and get your tickets!

LAST MINUTE RANGE CLOSURES – Look for last minute pistol range closures as we try to start work on the new 50' range. You can also see the most up-to-date range schedule online at www.btrpc.com/caldendar
