*Pick up a rifle and you change instantly from a subject to a citizen.

WORK PARTY – General range maintenance, paper and cardboard burning on both rifle and pistol range.

MEMBERSHIP DUES – Locked out? Submit your application, pay your dues, and then pick up a key! The 2017-18 membership year began in June and the gate lock has been changed.

WORK BOND – As you know, the work bond is a commitment made by individual members as part of their annual dues to work for 4 hours within the current membership year. Work can be in the form of general maintenance, work parties, range improvement project, or supporting a club event. The 4 hours do not need to be done all at one time. If you did not complete your commitment of 4 hours for the membership year, you will be billed the \$40 difference. Thank you for understanding.

RANGE SAFETY ORIENTATION – If you haven't done so, a simple Range Safety Orientation is required of all members in order to get your key. We promise it is painless and won't take much of time. We can do it at the shop and you can pick up the key immediately, or contact John Way for more information.

START THE YEAR WITH A BANG – We finalized the date for the fire extinguisher shoot: December 31st! Members and guests welcome. Mark your calendars!

This year's **WINTER RAFFLE** is a Leupold VXII 3x9x40 rifle scope. Check it out at Wes' shop and get your tickets (\$5 / 6 tickets) Drawing will be December 18th at the member meeting. You do not need to be present to win.
