*When he was young, I told Dale Jr. that hunting and racing are a lot alike.
Holding that steering wheel and holding that rifle both mean you better be responsible.

WORK PARTY – General range maintenance.

PATCHES – We are selling BTRPC logo patches for \$5/each. Add one to your vest, hat, or bag!

OF INTEREST – On January 1, 2018, annual hunting licenses will increase by \$1.50, annual fishing licenses will increase by \$3, and a combination license will increase by \$4.

MEMBERSHIP DUES – Locked out? Submit your application, pay your dues, and then pick up a key! The 2017-18 membership year began in June and the gate lock has been changed.

RANGE SAFETY ORIENTATION – A simple Range Safety Orientation is required of all members in order to get your key. We promise it is painless and won't take much of time. Wes can do it at the shop and you can pick up the key immediately, or contact John Way for more information.

WORK BOND – As you know, the work bond is a commitment made by individual members as part of their annual dues to work for 4 hours within the current membership year. Work can be in the form of general maintenance, work parties, range improvement project, or supporting a club event. The 4 hours do not need to be done all at one time. If you did not complete your commitment of 4 hours for the membership year, you will be billed the \$40 difference. Thank you for understanding.

START THE YEAR WITH A BANG – Save the date for the fire extinguisher shoot: December 31st! Members and guests welcome.

Update to the **CHRISTMAS RAFFLE**: it is a Vortex not a Leupold rifle scope. Check it out at Wes' shop and get your tickets (\$5 / 6 tickets) Drawing will be December 18th at the member meeting. You do not need to be present to win.
