TURKEY SHOOT THANK YOUS – We sincerely appreciate Alan Brown, Tad Brown, and Ken Brown from Les Schwab Tires for sponsoring our Turkey Shoot AGAIN! Thank you Steve Card for calling the Shoot – a job well done. Thank you Tom and Judy Zimmerman for the amazing clean up job around the wood stove – they even swept the floor! The day was a great success with about 27 shooters and clear weather. Thanks to everyone that participated, especially Evan H. for ending our misery in the pistol round.

CHRONIC WASTING DISEASE (CWD) – In early November a hunter from Madras brought home a deer from Montana infected with CWD and dumped it in a field. ODFW was quickly informed and retrieved most of the carcass to dispose of properly. CWD is a progressive neurological disease that is untreatable, always fatal, and fast spreading. It's our responsibility to follow regulations and educate ourselves to keep Oregon a CWD-free state.

WORK PARTY – Move firewood in the container closer to the stove, burning (weather permitted) and general range maintenance.

START (or end?) THE YEAR WITH A BANG – We look forward to seeing you at the fire extinguisher shoot: December 31st. Members and guests welcome!

BTRPC GEAR – We have BTRPC logo patches for \$5/each, a few t-shirts of random sizes, and 1 frisbee. Try not to fight over the frisbee.

LICENSE FEES – On January 1, 2018, annual hunting licenses will increase by \$1.50, annual fishing licenses will increase by \$3, and a combination license will increase by \$4.

GET INVOLVED – Do you have a special skill that could benefit our club? Are you interested in planning or helping out with events? Do you love paperwork? Come to one of our club's monthly meetings or send us an email to see how you can get involved.

CHRISTMAS RAFFLE – Vortex Optics, Viper HS-7 Riflescope, 4-16x44, VMR-1 MOA. Check it out at Wes' shop and get your tickets soon (\$5 / 6 tickets or \$1/ticket). Drawing will be December 18th at the member meeting. You do not need to be present to win.
