

February 2018

The rifle itself has no moral stature, since it has no will of its own. Naturally, it may be used by evil men for evil purposes, but there are more good men than evil, and while the latter cannot be persuaded to the path of righteousness by propaganda, they can certainly be corrected by good men with rifles.

- Jeff Cooper, Art of the Rifle

WORK PARTY – General range maintenance.

CHRONIC WASTING DISEASE (CWD) – CWD is a progressive neurological disease that is untreatable, always fatal, and fast spreading. It's our responsibility to follow regulations and educate ourselves to keep Oregon a CWD-free state.

BTRPC GEAR – We have BTRPC logo patches for \$5/each, a few t-shirts of random sizes, and 1 frisbee. I can't believe the frisbee is still up for grabs.

2018 BIG GAME HUNTING CHANGES – Starting January 1, 2018, the Mentored Youth Hunt Program will include 14 and 15 year-old kids and the cap on non-resident fall bear tags will be removed.

GET INVOLVED – Do you have a special skill that could benefit our club? Are you interested in planning or helping out with events? Do you love paperwork? Come to one of our club's monthly meetings or send us an email to see how you can get involved.

The **EDDYVILLE MARKSMANSHIP** rimfire program might start again! Hoping to schedule .22 and shotgun shoots with the kids in collaboration with OHA. Still working to lock in the details.
