January 2019

**MERRY CHRISTMAS and a HAPPY NEW YEAR to all BTRPC members and their families!**

*If society is honest and historically accurate, the only question that has any relevance to the gun control debate is, "Do you trust those in government, now and forever in the future, to not take your life, liberty, or property through the force of government?" If the answer to that question is "no", the gun control debate is over.* - KrisAnne Hall, JD

**DUES and the WORK BOND** - The BTRPC board has been looking at the value of the work bond over the past two years and has come to the conclusion that it is not working. The numbers show, in general, that 20% of the membership signs up for the work bond, and of that 20% less than half meet their commitment. To that end it is the boards decision that we will be doing away with the work bond and raising dues in the coming year. A decision has not been made yet as to what the dues will be, and the board would like membership input. So far suggestions have been \$80 to \$100 plus the \$5 key fee. I might add that it was put out on the website that there would be a discussion on this topic at the December membership meeting and members were encouraged to come and give their input. That meeting was one of the least attended I've been to. So...we'll try again, if you have input contact a board member or attend the January meeting.

**WAYNE** – Is still on hospice but reports are that he has been walking a little, maybe things will improve. Keep him in your thoughts and prayers.
